

Bier- & Cocktailbar

Welcome to our bar **SCHNEIDERS**.

Here you won't just find a bottle of beer, but everything that a good bar has to offer. In order to keep our menu manageable, we have kept it small and compact and dedicated ourselves to our passion, the highballs. We have been creative here and have put our heart and soul into designing fresh and exciting creations for you.

Our love of regional specialities is also reflected in the Schneiders bar. We have gone on a journey and selected exciting spirits for our menu, often from smaller producers in Dithmarschen and Schleswig-Holstein.

Can't find your favourite cocktail? Just get in touch with us. We will prepare it according to your individual wishes. We would also be happy - in a chat with you - your personalised drink together with you.

Cheers!
